## Stalking on College Campuses in the Digital Age

***Youths 18-24 years of age experience the highest rate of stalking.  
College-age students are at a greater risk than other populations of being stalked.***

•  
***Approximately 13% of college women have been stalked  
since the beginning of the school year.***

•  
***In 10.3% of these incidents, the victim reported that the stalker  
forced or attempted sexual contact.***
