

HEALTHY HOLIDAYS

February

VALENTINE'S DAY

- Have students write down one positive comment about each classmate, e.g. you're a good friend, you have a nice smile, or you are fun, and pass them out.
- Create a Valentine's Day card holder. (Cut a paper plate in half, have children paint or color the plate and write their name on it. Use a hole punch to cut holes around the bottom curve of the plate. Stitch the two halves together with colorful ribbon or string. Make a handle with the string so children can hang them at their desk).

Healthy Party Snacks:

- Have cherry tomatoes and red peppers served with hummus or ranch dressing
- Serve strawberries, raspberries, dried cranberries, red grapes, pomegranate, or apple slices
- Very-Berry pink smoothies (see smoothie recipe and use strawberries for the fruit)

April/May

SPRING PARTY

- Plan a nature walk to see plants re-awakening in the spring weather.
- Decorate plastic eggs with paints, glitter and stickers and put physical activity messages on the inside (e.g. hop on one leg 5 times OR do 6 jumping jacks). Have an egg hunt and kids can act on the messages.
- Decorate flower pots for parents and plant a flower or seed.
- Have parents donate plants that children can plant in the school yard or at a housing project, senior center or other community site.

Healthy Party Snacks:

- Carrot muffins
- Carrots with hummus or a low-fat ranch dressing
- Berries with Cool Whip
- Fruit Smoothies (see recipe below)

March

ST. PATRICK'S DAY

- Teach an Irish step dance.
- Decorate the room with shamrocks made from construction paper.
- Plan a St. Paddy's day scavenger hunt that leads to a pot of gold filled with treasures, such as markers, pens, pencils, erasers, etc.
- Read about Irish history or a story about St. Patrick.

Healthy Party Snacks:

Make It a "Green" Day

- Have cucumbers, celery sticks, broccoli, sugar snap peas, green beans, or green peppers with hummus or a low-fat dressing like ranch or thousand island
- Serve whole grain tortilla chips with guacamole
- Try edamame (pronounced "eh-dah-MAH-may"). It is fun to eat and easy to serve

June

With the end of school comes numerous celebrations. Keep the focus away from food and plan activities to highlight the end of the school year and the coming of summer.

- Fresh produce is easier to come by in summer. Talk about fruits from around the world and discuss where they originated.
 - Have a tasting party with star fruit, papaya, mango, kiwi, guava, and/or pineapple.
- Visit a local farm, garden or orchard to learn about fruits and vegetables that grow in your area.
- Have children make a collage or write a story about what they plan to do over the summer.
- Have students write stories or put together items that remind them of the past school year and take them home.
- Plan an outdoor game/activity to enjoy the warmer weather.
