

National PTA Reflections Results
For projects from Illinois PTA
2015-2016 Program Year

During the past school year, through the National PTA level of the Reflections Program, nearly 300,000 students in over 8,000 schools across the country and in U.S. schools overseas contributed their original works in dance choreography, film production, literature, music composition, photography and visual arts to be considered for PTA's highest honor in the arts.

National PTA awarded the following this year to projects from around the country:

7 Outstanding Interpretation Awards

78 Awards of Excellence

120 Awards of Merit
